Women's Worldwide Web

L I B R A R Y M E E T U P

The first Saturday of every month · at your local library

From the womb to the tomb, it is women who care for us.

> HOW IT WORKS

1. Show up at your closest library on meetup day.
2. Tell the front desk: "I'm here for the Women's Worldwide Web Meetup."
3. If others arrive, the desk lets them know you're there.
4. Hand the desk this flyer so they know what it is.
5. Meet. Talk. Share. No agenda, no cost, no app required.

WHAT IS THE WOMEN'S WORLDWIDE WEB?

A community platform and directory built by women, for everyone — a home base for email, calendar, search, community boards, a marketplace, jobs, resources and support. Free to join.

We meet face-to-face because community is built in person.
One library at a time, we are answering the loneliness epidemic.
